

HERBERTS of Smithfield

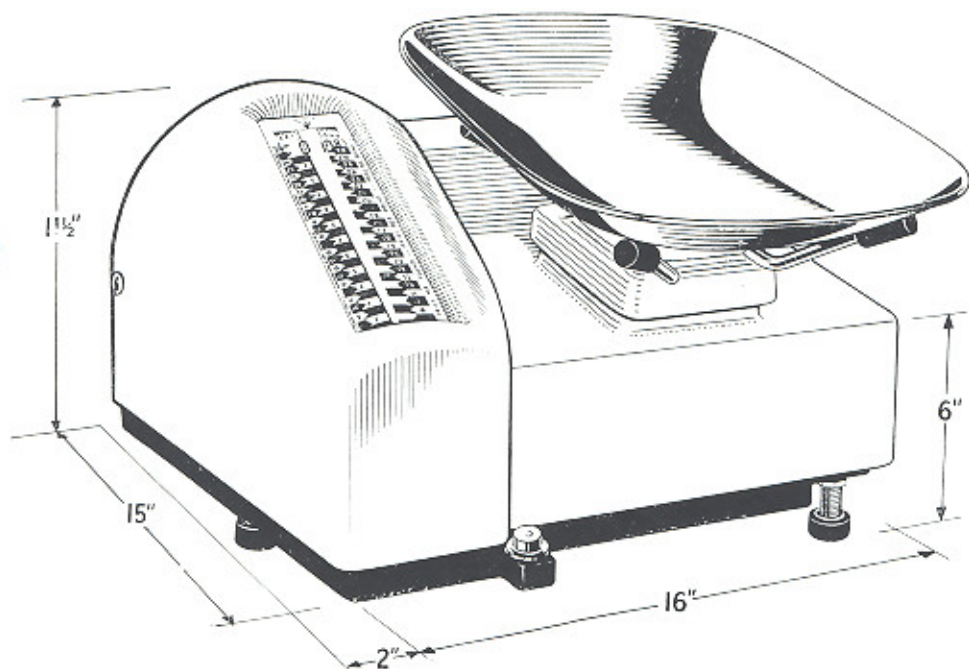

THE
Lion
10 LB
NU-CLEAR
NA 10

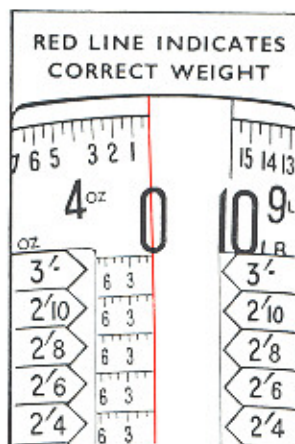

- **GOODS AND CHART AT SAME HEIGHT** : no eye strain, low loading level and less tiring service.
- **MODERN APPEARANCE** : well designed, easy to clean, suited to any type of counter.
- **NO TOP HEAVY STRUCTURE** : its compactness increases counter space, no obstruction between buyer and seller.
- **FULLY AUTOMATIC** : the conical chart has extremely clear figuring throughout the full price range, eliminates parallax and can be read accurately from any height.
- **PRECISION BUILT** : completely floating mechanism of patent design with knife-edges precision ground and lapped, giving accurate and reliable weighing service.
